

Dear GTACS Parents,

Every year GTACS receives thousands of dollars in free money from collecting various labels and receipts that would otherwise go out in the trash. These little pieces of paper can add up to a substantial amount of money for our schools. We use the money mainly for teachers to purchase educational supplies for their classrooms. We would like ALL parents to participate in this program and help us get all of the free money that these companies are willing to give our school. We aren't asking you to buy anything – just save the labels and receipts from things you already buy. Below is an overview of the programs we participate in, and on the back a list of all products carrying Box Tops for Education symbols. Please keep this list for reference, or tape it to the inside of a cabinet door, along with an envelope. When the envelope is full of labels and receipts, simply separate them and send them in with your child or drop them in the bins at school.

Thanks for your continued support. It only takes a few seconds a day of your time and doesn't cost anything, but can mean significant money for our children's education. If you have any questions, or if you'd like to help with this program, don't hesitate to contact me at 938-7179 or [bthunte@yahoo.com](mailto:bthunte@yahoo.com).

Sincerely,  
Bridget Thunte
