

8th GRADE SUMMER READING LIST

Because we feel summer reading is a beneficial part of a student's education, we have compiled a list of recommended titles for each grade. We are requiring students to read two titles from this list during the summer. It cannot be a title the student has already read. When school begins in September, your Language Arts teacher will assign a writing project based on these books as well as requiring AR quizzes be taken on these books. The library will be open Wednesdays 10 am-Noon -- July 1, 8, 15, 22, 29, August 5, 12. Books may be checked out (one due date of September 10) and AR quizzes taken during this time. Points count toward your SEAS Middle School total points and the 1st quarter Language Arts grade. This is a great time for parents to read and discuss these books with their children!!
